5. **Physician Services**

   Effective for dates of service on or after July 1, 2020, the immunization administration fee for influenza will be based on the 2020 Medicare flu vaccine administration fee. All other immunization administration fees will be based on Medicare’s 2020 physician fee schedule for the State of Arkansas. The rate is paid to all governmental and non-governmental providers, unless otherwise specified in the state plan. All rates are published at the agency’s website, [http://medicaid.mmis.arkansas.gov/](http://medicaid.mmis.arkansas.gov/).

SHORT TITLE OF THIS RULE SPA #2020-0005 Vaccine Administration Fee Rate Increase

1. Does this proposed, amended, or repealed rule have a financial impact? Yes ☒ No ☐

2. Is the rule based on the best reasonably obtainable scientific, technical, economic, or other evidence and information available concerning the need for, consequences of, and alternatives to the rule? Yes ☒ No ☐

3. In consideration of the alternatives to this rule, was this rule determined by the agency to be the least costly rule considered? Yes ☒ No ☐

If an agency is proposing a more costly rule, please state the following:

(a) How the additional benefits of the more costly rule justify its additional cost;

(b) The reason for adoption of the more costly rule;

(c) Whether the more costly rule is based on the interests of public health, safety, or welfare, and if so, please explain; and;

(d) Whether the reason is within the scope of the agency’s statutory authority; and if so, please explain.

4. If the purpose of this rule is to implement a federal rule or regulation, please state the following:

   (a) What is the cost to implement the federal rule or regulation?

5. What is the total estimated cost by fiscal year to any private individual, entity and business subject to the proposed, amended, or repealed rule? Identify the entity(ies) subject to the proposed rule and explain how they are affected.

Current Fiscal Year | $ _________
Next Fiscal Year    | $ _________

6. What is the total estimated cost by fiscal year to state, county, and municipal government to implement this rule? Is this the cost of the program or grant? Please explain how the government is affected.

Current Fiscal Year | $ 915,035
Next Fiscal Year    | $ 915,035

7. With respect to the agency’s answers to Questions #5 and #6 above, is there a new or increased cost or obligation of at least one hundred thousand dollars ($100,000) per year to a private individual, private entity, private business, state government, county government, municipal government, or to two (2) or more of those entities combined?

Yes ☒ No ☐

If YES, the agency is required by Ark. Code Ann. § 25-15-204(e)(4) to file written findings at the time of filing the financial impact statement. The written findings shall be filed simultaneously with the financial impact statement and shall include, without limitation, the following:

(1) a statement of the rule’s basis and purpose; As required by Executive Order 19-02, the rate review process for influenza immunization administration fees was completed in July 2019. The State Plan Amendment effectuates a rate increase for the influenza immunization administration fee to assure access and availability of immunizations to members of Arkansas Medicaid.

(2) the problem the agency seeks to address with the proposed rule, including a statement of whether a rule is required by statute; Providers of flu immunizations and other vaccines were concerned about being able to meet growing program costs given that there has not been a rate increase in over 10 years.

(3) a description of the factual evidence that:

Revised June 2019
(a) justifies the agency’s need for the proposed rule; and
(b) describes how the benefits of the rule meet the relevant statutory objectives and justify
the rule’s costs; As required by Executive Order 19-02, the rate review process for
influenza immunization administration fees was completed in July 2019. The rate
increase is based upon a rate review recommendation. The rate increase helps
ensure access to care.

(4) a list of less costly alternatives to the proposed rule and the reasons why the alternatives do not
adequately address the problem to be solved by the proposed rule; There are no less costly
alternatives.

(5) a list of alternatives to the proposed rule that were suggested as a result of public comment and
the reasons why the alternatives do not adequately address the problem to be solved by the
proposed rule; None at this time.

(6) a statement of whether existing rules have created or contributed to the problem the agency seeks
to address with the proposed rule and, if existing rules have created or contributed to the
problem, an explanation of why amendment or repeal of the rule creating or contributing to the
problem is not a sufficient response; and None

(7) an agency plan for review of the rule no less than every ten (10) years to determine whether,
based upon the evidence, there remains a need for the rule including, without limitation,
whether:
   (a) the rule is achieving the statutory objectives;
   (b) the benefits of the rule continue to justify its costs; and
   (c) the rule can be amended or repealed to reduce costs while continuing to achieve the
statutory objectives.

Executive Order 19-02 requires influenza immunization administration fees to be
reviewed no less frequently than every four years.
